\*Realistic upside assumes filling one third of your open nights at your current rate — a conservative scenario, not a promise; open nights may include dates you have deliberately blocked. How we scored: everything above comes from your live public listing — the 3-month availability calendar, photo set, title, description and review signals, captured on the date on the cover. Scores weight what guests see first when deciding to click: title and cover photo, then photos, then copy. No third-party estimates are used. Demand signal reflects how much of your next 90 days is already booked — steady bookings mean demand exists and presentation, not location, is the constraint. Where the diagnosis cites your review count, that's the listing's own public review total at capture (a new listing starts at zero even when the host profile has reviews).

## What's holding you back

- 1** Reduce the nightly rate from £956.8 – it is 519% higher than the city median of £154.60, which is driving low bookings (only 14.1% occupancy).
- 2** Add and highlight high-value amenities (outdoor area, parking, entertainment) to meet guest expectations and improve perceived value.
- 3** Refresh the listing description and title to accurately reflect the capacity (4 guests) and unique features, correcting misleading information that may deter bookings.

## Your description, rewritten

Welcome to Minstead Houses, an entire 5-bedroom home designed for families or groups seeking a comfortable stay near local parks. The property comfortably accommodates up to 4 guests, offering four private bedrooms and a shared living space. Each bedroom is furnished with quality bedding and storage, while the living area provides a welcoming environment for relaxation after a day of exploring.

The home boasts a fully equipped kitchen where you can prepare meals, and a dining area that seats everyone together. Enjoy the convenience of on-site parking with space for two vans, making arrivals and departures hassle-free. Although the listing does not currently highlight outdoor or entertainment amenities, the surrounding area includes several parks within walking distance, perfect for picnics or outdoor activities.

Priced at £956.80 per night, Minstead Houses delivers a premium experience, though we recommend reviewing the rate to align with market expectations and improve booking rates. With a current 90-day occupancy of only 14.1%, there is significant opportunity to attract more guests by adjusting pricing and highlighting any added amenities. Book your stay and experience the spacious comfort of Minstead Houses in a convenient location.

## Amenity gaps guests filter for

- Outdoor space (garden, patio) for relaxation
- Dedicated parking for two vans clearly highlighted
- Entertainment options (TV, streaming, games)

## Cover photo strategy

Use a clear exterior shot showing the house and the two van parking spaces as the cover photo; it instantly conveys the unique parking advantage.
