WHY IT'S SITTING EMPTY

- Raise the nightly rate modestly (e.g., to £120) - you're currently £53 below the cohort median (£154.60) while already booking 60.9% of the next 90 days, so a small increase can boost revenue without harming occupancy.
- Add and list high-value amenities such as outdoor space, parking, and entertainment - these are missing entirely and are proven to attract more searches and higher-paying guests.
- Upload a full set of professional photos covering bedroom, wetroom, private lounge, kitchen, and exterior - the current photo count is unknown, and strong visuals are crucial for conversion.
