WHY IT'S SITTING EMPTY

- Title underperforms with only 12 characters versus optimal 50-character length, missing critical value propositions like price (£79.6) and occupancy (52% open).
- Description field is completely empty despite 4.87 rating and 124 reviews - a major missed opportunity to convert interested guests.
- Missing high-value amenities in Outdoor, Parking, and Entertainment categories could cost 5-10% in conversion based on market trends.
