PHOTO QUALITY SCORE

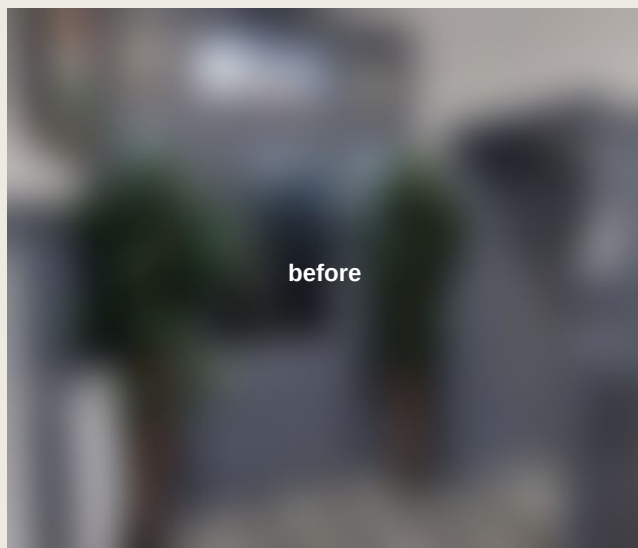

WHY IT'S SITTING EMPTY

- Your nightly rate of £653.20 is 323% higher than the city median (£154.60) while the 90-day occupancy is only 29.3% (vs. cohort median 47.8%) - consider price adjustments or limited-time discounts to boost bookings.
- The listing advertises 7 bedrooms but only accommodates 4 guests, which confuses travelers; clarify capacity or adjust the bedroom count to align with guest limits.
- The description is currently missing and no amenities are listed; add a compelling 200-300 word description and highlight high-value amenities (outdoor space, parking, entertainment) to improve appeal.
