WHY IT'S SITTING EMPTY

- Reduce the nightly rate from £146.07 (64% above the local median of £89) to a more competitive level; a 15-20% cut can attract price-sensitive guests and boost occupancy beyond the current 58.7%.
- Replace the current lead image with a professional photo of the front garden and parking area to highlight free parking, a top-value amenity that is currently under-represented.
- Add a tumble dryer (and consider AC) to the amenities list; these missing conveniences are frequently requested in the cohort and can increase perceived value and booking rates.
