WHY IT'S SITTING EMPTY

- Cover photo is not the king-bed shot; swapping it could boost click-through rates (48 photos currently, but the lead image isn't the most compelling).
- Missing in-unit washing machine and dryer - adding them or highlighting the laundry service more prominently could raise appeal, especially for families staying up to 4 guests.
- Title omits high-value perks like free parking and self-check-in; a revised title would better match search queries and could help fill the 40 open nights (£3,656 potential revenue).
