WHY IT'S SITTING EMPTY

- Reduce the nightly rate from £181.8 (18% above the cohort median of £154.60) to around £155 to align with market pricing and lift the 22.8% occupancy toward the city median of 47.8%.
- Add and list high-value outdoor amenities on the deck (e.g., comfortable seating, a small BBQ, fire pit) to address the missing Outdoor category and justify a premium price.
- Upload a full set of at least 10 professional photos covering bedroom, bathroom, kitchen, and the deck, then set the deck view as the lead photo to improve visual appeal and click-through rates.
