WHY IT'S SITTING EMPTY

- Your nightly rate of £411 is 166% above the city median (£154) while you have 22 open nights in the next 90 days; lowering the price by ~20% could boost occupancy and revenue.
- The listing description is essentially blank, which hurts conversion; add a compelling 200-300 word description that highlights the indoor pool, hot tub, rural setting, and proximity to BHX/NEC.
- No amenities are listed despite having high-value categories like outdoor space, parking, and entertainment; add these to attract guests filtering for those features.
