

we looked at your listing.

64 open nights in the next 90 days.

Here's exactly what's holding the listing back —
and what we'd fix for £29.

£2,907

sitting there. Uncaptured.

That's the conservative case: 64 open nights, one third booked, at your current £136/night rate.

PHOTO QUALITY SCORE

4.0/10 (industry avg: 6.4/10)

WHY IT'S SITTING EMPTY

- Description is functionally nonexistent (score 1/10), missing 233-review insights and 4.9 rating validation that could attract 183 additional bookings (64 open nights x £136 = £8720 in lost revenue)
- Garden and parking features aren't properly tagged in amenities section — despite being in title, these high-value amenities aren't explicitly listed to trigger algorithmic visibility
- Current 29.3% occupancy is 39% below cohort median (47.8%) despite 12% price discount — indicates price is insufficient compensation for perception gaps in other areas

what changes

same room. different listing.

Same photos, professionally re-lit and reordered.

Here's a preview — the full set comes with the report.

Cover photo strategy (from the full report):

Prioritize a wide-angle garden photo for cover image — outdoor space is a high-value feature in this market and your own reviews highlight its importance. Follow with full exterior facing the street to showcase parking availability.
