44 open nights in the next 90 days.

Here's exactly what's holding the listing back —
and what we'd fix for £29.

£1,599

sitting there. Uncaptured.

That's the conservative case: 44 open nights, one third booked, at your current £109/night rate.

WHY IT'S SITTING EMPTY

- Your nightly rate (£109) is only 4% above the market median (£104.90) yet you have 44 open nights, leaving ≈£4,800 of unearned revenue - consider a targeted discount or dynamic pricing to boost occupancy.
- The current title omits high-impact keywords like “river view” and “parking”; adding these can improve click-through rates.
- Your photo set is strong, but the cover image isn’t the river-view balcony; swapping it to that shot can instantly showcase the best view and attract more bookings.

Cover photo strategy (from the full report):

Use the balcony river-view shot as the cover photo - it instantly showcases the most marketable feature and differentiates the listing from competitors.
