### WHY IT'S SITTING EMPTY

- Occupancy is only 25% for the next 90 days (68 open nights) despite a 27% lower nightly rate than the market median - run a targeted promotion to fill those nights.
- Add at least three high-value amenities (outdoor space, parking, entertainment) to match market expectations and boost perceived value.
- Upload a minimum of 8 professional photos covering living area, bedroom, bathroom, kitchen, and any view; set the living-area shot with projector as the cover to attract clicks.

what changes

# same room. different listing.

Same photos, professionally re-lit and reordered.  
Here's a preview — the full set comes with the report.

## Cover photo strategy (from the full report):

Use a bright, high-resolution shot of the main living area showing the projector screen and Japandi décor as the cover photo; it instantly showcases the unique entertainment feature and design appeal.
