WHY IT'S SITTING EMPTY

- Raise the nightly rate from £89 to around £95; you're already 64.1% booked (32 open nights) and the market median rate is £90.20, so a modest increase can boost revenue without hurting occupancy.
- Rewrite the title to include high-search keywords ("3-Bedroom", "parking", "central", "Netflix"); the current title is only 25 characters and scores 3/10, limiting SEO visibility.
- Reorder the photo gallery so the first image is the front-exterior with driveway; with 25 photos (above the cohort median of 23) you have ample coverage, but the lead image currently doesn't showcase the parking advantage.

Cover photo strategy (from the full report):

Use a bright front-exterior shot showing the driveway and garden as the cover photo - it instantly highlights the private parking and outdoor space, the two strongest selling points.
