WHY IT'S SITTING EMPTY

- Your nightly rate (£126.8) is +21% above the market median (£104.90) while you already enjoy 68.5% occupancy (vs. cohort median 48.9%); a price-optimisation audit could unlock extra revenue.
- Add a washing machine (currently missing) to appeal to families and longer-stay guests, addressing a key amenity gap that competitors in the cohort often provide.
- Reorder photos to lead with the patio/BBQ image and ensure each room (bedrooms, kitchen, living area) is represented; your photo count (21) is below the median (23) and current coverage is unclear.
