WHY IT'S SITTING EMPTY

- Reduce the nightly rate from £956.8 - it is 519% higher than the city median of £154.60, which is driving low bookings (only 14.1% occupancy).
- Add and highlight high-value amenities (outdoor area, parking, entertainment) to meet guest expectations and improve perceived value.
- Refresh the listing description and title to accurately reflect the capacity (4 guests) and unique features, correcting misleading information that may deter bookings.
