WHY IT'S SITTING EMPTY

- Rate is only +5% above the cohort median (£162 vs £154.60) while occupancy is at the median (47.8% booked), indicating price isn't the barrier—lowering the nightly rate a few pounds could unlock the 47 open nights and boost bookings.
- The current title is cluttered and lacks high-impact keywords; replace it with a concise, SEO-friendly version that highlights the 6-car driveway and entertainment features.
- The listing has no description; add a 200-300-word compelling narrative that repeats the key facts (capacity, rate, rating, amenities) and appeals to family travelers.
