WHY IT'S SITTING EMPTY

- Despite a 21% lower nightly rate (£122.4 vs median £154.60), occupancy is only 18.5% booked versus the market median of 47.8% - improve visibility and SEO to translate price advantage into bookings.
- No high-value amenities are listed; adding outdoor space, parking, and entertainment could boost appeal for long-stay guests and raise occupancy.
- Photo count is unknown, but listings in this market typically show 8-10 images; ensure at least one photo for each major room and a compelling cover to meet guest expectations.
