PHOTO QUALITY SCORE

3.0/10 (industry avg: 6.4/10)

WHY IT'S SITTING EMPTY

- Despite a nightly rate of £64.3 (39% below the city median of £104.90), occupancy is only 46.7% booked versus the cohort median of 48.9% - the low price isn't being highlighted enough to drive bookings.
- The listing has just 9 photos compared with the market median of 23; adding at least 12 high-quality images of the bedroom, bathroom, kitchen, workspace, and building exterior will improve visual coverage.
- Key guest-expectation amenities are missing: heating/hot water, essential toiletries, and included parking - adding these will raise guest satisfaction and potential Superhost scores.
