WHY IT'S SITTING EMPTY

- Price mismatch: nightly rate £833.86 is 439% higher than the cohort median (£154.60) while occupancy is only 60.9%—lowering the rate could capture dozens of additional bookings.
- No amenities are listed; adding high-value amenities like parking, outdoor space, and entertainment can improve search ranking and guest appeal.
- Missing compelling description and photos; create a 200-300 word description and upload professional images of every room plus an exterior cover photo to increase conversion.
