WHY IT'S SITTING EMPTY

- Your nightly rate of £178 is 70% higher than the market median (£104.90) while occupancy over the next 90 days is only 37% (57 open nights), indicating price is suppressing bookings.
- Add a washing machine (and ideally a dryer) to meet the expectations of families and longer-stay guests; the lack of laundry facilities is a common reason for lower conversion.
- Increase the photo count from 19 to at least the market median of 23 and ensure each bedroom, kitchen, lounge, and bathroom is represented; replace the current lead image with the striking exterior barn view.

Cover photo strategy (from the full report):

Use the exterior shot of the Beautiful Barn Conversion as the cover photo—it showcases the unique barn silhouette against the Peak District scenery and immediately differentiates the listing.
