PHOTO QUALITY SCORE

**5.0/10** (industry avg: 6.4/10)

### WHY IT'S SITTING EMPTY

- Add at least 8 new high-quality photos to reach the market median of 23 images (currently 15), improving visual appeal and click-through rates.
- Replace the current title with a more compelling, keyword-rich version (e.g., one of the suggested variants) to boost SEO and attract search traffic; the existing title scores only 6/10.
- Address the 46 open nights (~£4,700 potential revenue) by highlighting missing high-value amenities such as parking or a portable air-conditioner in the listing to broaden appeal and increase bookings.
