WHY IT'S SITTING EMPTY

- Title mismatch: the title claims "sleeps 6" while the listing capacity is only 4 guests - correct this to avoid confusion and align with the actual occupancy limit.
- Missing high-value amenities: no parking or outdoor space is listed; adding a dedicated parking spot and highlighting any private patio can tap into guest preferences and boost appeal.
- No photos listed: the listing likely has zero images; add at least 12 high-quality photos (living room, bedroom, kitchen, bathroom, and any outdoor area) with the bedroom as the lead photo to improve visual engagement.
