WHY IT'S SITTING EMPTY

- Raise the nightly rate from £85.6 to around £100 ($\approx +17\%$) - you're 45% below the market median yet already have 65.2% occupancy, so a modest increase can boost revenue without sacrificing bookings.
- Add high-value amenities such as a balcony or patio, guaranteed parking, and a TV with streaming services - these are the top gaps and can justify a higher price point.
- Upload at least 8 high-resolution photos covering the living room, bedroom, kitchen, bathroom, and any view; set the living-room shot as the cover to improve visual appeal and click-through rates.
