WHY IT'S SITTING EMPTY

- Raise the nightly rate by up to 10% (to ~£129) - you're already 24% below the £154.60 median, so a modest increase can boost revenue while likely keeping occupancy above 56.5%.
- Add at least one high-value amenity such as dedicated parking or a balcony - these are missing and can justify higher rates and attract more guests.
- Upload a full set of professional photos (minimum 8) covering the living room, kitchen, each bedroom, bathroom, and any outdoor area - better visuals raise click-through and booking conversion.
