WHY IT'S SITTING EMPTY

- Add the three high-value amenities (outdoor space, dedicated parking, entertainment) - currently 0 listed, and they can help lift occupancy from the current 44.6 % toward the market median of 47.8 %.
- Rewrite the title to spotlight the 11 % price advantage and EV charger; the current 50-character title lacks SEO focus and click-through power.
- Upload at least 12 professional photos covering living room, kitchen, bedrooms, bathroom, exterior, and the EV charger, then set the exterior with charger as the cover - the listing's photo count is unknown but likely very low, driving the 1/10 image score.
