WHY IT'S SITTING EMPTY

- Reduce the nightly rate from £146.8 to closer to the market median (£104.9) - you're charging ~40% more while occupancy is only 52.2%, just 3.3% above the cohort median.
- Add a high-value amenity such as air-conditioning or a tumble dryer to justify the premium price and attract guests seeking extra comfort.
- Increase the photo count from 17 to at least the market median of 23 and reorder to lead with a garden exterior image to improve visual appeal and click-through rates.
